Dear Parents and Students,

This handbook has been prepared to be a source of information to you concerning the philosophy and operational policies of Kearns-Saint Ann School.

Our most important concern is your child. In all that we do, we strive to further his/her total educational development. Because we are a Catholic institution of learning, we are committed to strive for excellence, and above all, to provide an environment where Christian ideals are developed and lived. Our primary goal is to “teach as Jesus did” by word and example.

We feel that your choice of Kearns-Saint Ann School for your child’s formal education is an indication of your special interest in his/her total development. We accept the confidence you show in us by asking us to join with you as a partner in your child’s education. The work of preparing today’s young people for the challenges of adult life is not an easy one, but it is certainly a most rewarding one. A school’s strength does not rest solely on its academic standards and its aesthetic principles, as important as these are. A school’s strength is also vitally dependent on the cooperation of parents and teachers in the educational process. Only by working together may we hope for success in the task before us.

We strongly urge you to familiarize yourself with the information contained in this handbook. It is our ardent hope that all parents will give full support to the policies contained herein, and that it will serve as an aid in continuing the wonderful cooperation that has existed between the home and the school.

May God be with us to strengthen and support us as we begin each school year. May He work through each of us -- parents, teachers, students -- and help us to grow in wisdom and grace.

Sincerely,

Mrs. Rox Anne Close
Principal of Kearns-Saint Ann School

PLEASE NOTE: Diocesan policy supersedes all information in this handbook

FORWARD

The Diocesan Superintendent of Catholic Schools, Mr. Mark Long, formulates policy, and his office distributes the *Administrative Handbook*, which contains directives for the parochial schools in our diocese. Very often our school policies directly relate to diocesan school policies, and are often written verbatim from that source. In this handbook, whenever Kearns-St. Ann policies relate to the diocesan school policies, the diocesan policy number is referenced; for example, 1200 in the title heading. In addition, pastoral directives promulgated by the Bishop of the Diocese of Salt Lake City, are referenced when appropriate.

To access Diocesan Policies, go to <https://www.dioslc.org/catholicschools/diocesan-policy-for-catholic-schools>. Find the link for Diocesan Policies.

RIGHT TO AMEND

The principal reserves the right to amend the handbook at any time during the school year. Parents/guardians and students will be given prompt notification of such changes.

In any case, the principal and/or pastor have the final recourse in all matters pertaining to the school.

The policies contained in this handbook were written to compliment the [Diocesan Policy for Catholic Schools](#) and the [Pastoral Directives of the Diocese of Salt Lake City](#). However, the Diocesan policies and pastoral directives supersede the policies in this handbook. If clarification is necessary, reference may be made to these handbooks (www.dioslc.org).

The Administrative Handbook of the Catholic Schools of the Diocese of Salt Lake City applies and supersedes all prior handbooks. Though the intent is to follow the handbook, it may be necessary to deviate from policies to better address specific circumstances or concerns or to attend to matters not specifically covered by the handbook. The diocese reserves its right, at its sole discretion, and from time to time, to rescind, modify, amend and/or supplement this handbook, in whole or in part, at any time. To the extent the policies of the handbook conflict with any provision of the Pastoral Directives of the Diocese of Salt Lake City, the specific provision of the Pastoral Directives shall control unless express reference is made as an exception to the Pastoral Directives.

CATHOLIC SCHOOL SYSTEM

Kearns-Saint Ann Catholic School and the other Catholic schools in the Diocese of Salt Lake City are part of the educational ministry of the Bishop of the Diocese. Together, the schools exist as part of a system under the direction of the superintendent of Catholic schools. The Diocesan Catholic School Board acts as an advisory body to the bishop of the diocese and the Catholic schools superintendent on all matters concerning Catholic schools.

School administrators work in collaboration with the Superintendent, the Associate Superintendent, and the Diocesan Catholic School Board to assure the Catholic identity of the schools, implementation of all policies, and the quality of all programs.

Within the Catholic School System, each school is site based, managed according to policies stated in the *Administrative Handbook* and the *Pastoral Directives of the Diocese of Salt Lake City*, and government regulations to the extent that they may apply. A copy of the Diocesan handbook may be found on the Catholic Diocese of Salt Lake website: www.dioslc.org.

KEARNS-SAINT ANN SCHOOL HISTORY

Kearns-Saint Ann School is an imposing historical landmark of unique architectural beauty. This two and a half story brick structure was designed by Carl M. Neuhausen, architect for the Cathedral of the Madeleine, and the Thomas Kearns mansion, which now serves the Governor of Utah. The building was constructed in 1899, under the direction of Bishop Lawrence Scanlan, as a refuge for the shelter, training, and education of orphaned or destitute children of the State of Utah. Major funding for the orphanage, operated by the Congregation of the Sisters of the Holy Cross, came from the Senator Thomas and Jennie Kearns family, whose portraits hang in the school's parlor. The Patrick Phelan estate established an endowment for the orphanage. The Sisters of the Holy Cross operated the orphanage, named Kearns St. Ann Orphanage until 1955.

The work of caring for orphans gradually led to the education of students. In 1953, residents of the orphanage were placed in foster homes and the building was renovated to become St. Ann School. Continuing its rich tradition of ministering to youth, the school opened in the fall of 1955, with grades K-4, under the leadership of the Sisters of Charity of the Incarnate Word. Each year thereafter, an additional grade was added, until all eight grades were included in the school by 1959.

In October 1980, the building was placed on the National Register of Historic Places. However, by the middle 1980's it became apparent that a renovation of the school was needed. The project was made possible through contributions from major corporations, parents, parishioners, students, staff members, and friends.

In anticipation of the school's restoration in the 1990's, and to symbolize its link with the past, our school was renamed Kearns-Saint Ann School. After undergoing a ten year renovation and raising five million dollars, the building celebrated its centennial (100 years) in 1999 and the school celebrated its Golden Jubilee in September 2005.

Kearns-Saint Ann School ministers to students in Preschool through Eighth Grade and serves a diverse student population from varied socio-economic backgrounds. Many of our graduates are in positions of responsibility in the Diocese, in parishes, in Catholic schools, and in a variety of professions, and businesses. The continuing involvement of our graduates and their families, in terms of their time, treasure, and talent, helps us to fulfill our mission and take care of today, as well as prepare for the future.

ACCREDITATION

Kearns-Saint Ann School is in compliance with the regulations and policies of the Office of Catholic Schools of the Diocese of Salt Lake. These are the regulations and policies that are published in the *Administrative Handbook* as well as those that may subsequently be determined by the Superintendent of Schools. Kearns-Saint Ann School is accredited by the Western Catholic Education Association, Northwest Association of Accredited Schools, and the Utah State Department of Education.

ADMISSION REQUIREMENTS

At Kearns-Saint Ann School, students applying for Kindergarten will be screened and will attend a mock Kindergarten class. New students, in applying for admission to grades 1-8, will be tested for placement and previous and current report cards must be presented. It is understood that new students are accepted on a probationary basis. In individual cases, some students may be accepted only after signing a contract detailing academic and behavioral expectations. If probationary students do not perform at acceptable levels both academically and socially, it is understood that they may be asked to withdraw.

Kearns-Saint Ann School policy for admission is as follows:

- 1st Siblings of presently enrolled students.
- 2nd Current Pre-Kindergarten students.
- 3rd Parish members where the school is located.
- 4th Parishioners of regional parishes.
- 5th Other Catholics
- 6th Non-Catholics

APPOINTMENTS AND MESSAGES

We are always happy to talk with you about your child. However, to assure that there is adequate time to meet with you and to assure the smooth operation of the school day, we do request that you make an appointment to talk to us.

Appointments with the principal may be made by email, by sending a note or by calling the office during the day.

Appointments with a teacher may be made by email, by sending a note to the teacher or by telephoning the office. However, since class time is so valuable and important, appointments with teachers can only be scheduled after school. In no way may a teacher be disturbed from his/her primary duties once the school day begins unless the interruption is approved by the principal.

Telephone messages to students during school hours are strongly discouraged. ONLY messages of vital importance will be relayed to students during school hours since it is impossible to deliver messages without disrupting classes.

If through urgent necessity a parent comes personally to school to deliver a message or to bring something to a student, the parent must come to the school office. Under no circumstances is the parent to go directly to the student's classroom or to the cafeteria or gymnasium.

Students are permitted to use the telephone in the office **only** in cases of extreme need, and then only with permission from a teacher.

ATTENDANCE/ABSENCE/TARDY

Attendance

At Kearns-Saint Ann School regular attendance has a direct correlation with learning and achievement. Prompt and regular attendance at school is essential for successful class work. Parents are urged, therefore, not to keep their children out of school except for illness or emergencies. Medical, dental, and other such appointments should not be scheduled during school hours unless absolutely necessary.

The school day for grades K-8 is from 8:00 A.M. to 3:00 P.M. Monday through Thursday. Dismissal time on Friday is 12:30 P.M. The school calendar will indicate any other days of early dismissal. Students should not arrive on school grounds before 7:50 A.M. Students enrolled in the Breakfast Program may arrive no sooner than 7:20 A.M. Students in the Breakfast Program must remain in the Cafeteria until dismissal to classes at 7:50 A.M. Students should leave the school grounds at 3:00 P.M. or at the time of early dismissal. Students who have not been picked up by 3:15 P.M. will be taken to the Extended Day Room and parents will be charged an appropriate fee for their care.

School Hours

		8:00 A.M.-12:30 P.M. on Fridays

		8:00-11:00 A.M. Monday-Thursday

	PM Session	
		12:00-3:00 P.M. Monday-Thursday
		10:30 A.M.-12:30 P.M. on Fridays

Once at school, no student may leave the school grounds without the permission of the principal, secretary, or designee. Students may not shop at local convenience stores before school without parental/guardian supervision. Students who leave the school grounds without permission are subject to suspension and/or expulsion.

Absence Policy

In order to provide continuity in your child's school day, we urge you to avoid having to take your child out of class before the regular time of dismissal. However, should it become necessary, please send a note to the child's teacher in the morning stating both the reason for and the time of the student's departure. If the child is to be picked up by someone other than the parent or guardian, this should be specified in the note. That person needs to be listed on the emergency information that is filed in the office.

In every instance students must be picked up at the office by a parent or an authorized representative of the parent and checked out by the secretary or designee. A child is considered absent for half of the school day if he/she arrives after 10:00 A.M. or leaves school before 1:30 P.M.

If a child is absent, a parent is required to fill out the [Absence Form on the school website](#) or call the school office by 9:00 A.M. If you want to pick up schoolwork for your ill child at 3:00 P.M. let the office know when you call that morning. Upon the child's return to school, a written note must be sent to the teacher stating the reason for the absence (Diocesan policy). The note must be dated and signed by a parent. Illness or family emergencies are considered excused absences. Vacations are considered unexcused absences.

A student is responsible for school materials covered during his/her absence. However, teachers are not obliged to administer make-up tests to a student unless his/her absence was due to illness or other grave reason. Responsibility rests upon the child to make arrangements with the teacher for the administration of the make-up test at a time convenient to both.

Ordinarily, a report card will not be issued if a student is absent (excused or unexcused) for ten (10) or more days in a given quarter. It is the decision of the principal, after consulting with the teacher, whether a student receives a report card after ten or more absences.

For a student to continue in attendance at Kearns-Saint Ann School, the student must:

- Maintain regular attendance (punctual and consistent).
- Reflect effort and motivation to achieve academic progress suitable to his or her capacity.
- Follow the behavior standards of the school.
- Reflect maturity in social behavior appropriate to his or her age.

The parent/guardian must:

- Be current with all tuition and other payments as they accrue (unless alternative payment schedules have been agreed to and approved by the school principal and accountant)
- Be supportive of the school's mission and philosophy.
- Cooperate with teachers and administration.
- Complete 25 Parent Service Hours

Tardy Policy

Being on time to school is important for it allows each student to get off to a good start each day, an important value not only for school, but for life as well. In addition, entering the classroom after school has begun is disruptive to the entire class and interferes with the teacher's lessons.

A child is tardy when he/she arrives after 8:00 A.M.. Students who come through the front entrance after 8:00 A.M. will be marked tardy. Please do not bring a student to the front entrance until after 8:00 A.M.. If a student arrives after 8:30 A.M., the parent must bring the child to the office to sign them in. A student coming late for classes is expected to bring a written explanation from the parent or guardian to the school office. A student will not be admitted to the classroom without a tardy slip from the office. The school secretary will call the parents of all students not reporting to school, unless their parents have notified us.

After 8 tardies in one quarter, a letter will accompany the report card notifying the parent of excessive tardies. A meeting with the principal may be required.

ATHLETICS

Many Kearns Saint Ann students are involved in school-related athletic and social programs and activities. However, said participation is a privilege, not a right.

The privilege of participating in these programs is conditioned upon a student:

1. Maintaining grades throughout the period of participation (not just at the end of the term or semester). This means-
 - a. The student maintains a 2.5 Grade Point Average, in grades 6 – 8
 - b. No D's or F's in the six core subjects in grades 4 and 5
2. A grade of B or higher (S in primary grades) in both Conduct and Effort.

The Principal and Athletic Director will monitor students to ensure that they are maintaining the minimum-required grades. Any behavioral infractions by a student, parent or an individual related to

a student or other person invited by a student to witness such events, may result in disciplinary action, which includes, but is not limited to: suspension from practices and games, suspension and/or permanent dismissal from team(s), and/or permanent dismissal from Kearns Saint Ann School.

AWARDS

Each quarter students are recognized for their achievement in various areas. Presentations are made to eligible students, usually in the form of ribbons or certificates.

CELL PHONES

Cell Phones and all personal electronic devices are discouraged on our school campus. Teachers will collect cell phones and other electronic devices that are brought into classes at the beginning of the day, and store them until classes are concluded at the end of the day. Use of cell phones and personal electronic devices by students is prohibited from the time a student arrives in the morning on school grounds, during recess, lunch time, other breaks, and any period of extended care. Students may use cell phones at 3:10 to call parents if they are still waiting for a ride. Apple or smartphone watches are not allowed.

If a student uses a cell phone or other electronic device in an unauthorized manner, the cell phone or other electronic device will be put in the school safe overnight and the student will receive 3 demerits for not following school rules. The cell phone or electronic device may be retrieved the following day AFTER SCHOOL by a parent only.

A second unauthorized use of a cell phone or electronic device will result in an automatic detention and the parent must talk with the Principal or Vice-Principal before the phone or electronic device will be returned. Kearns-Saint Ann School and its employees assume no liability or responsibility for cell phones or any electronic devices brought onto campus by students, parents or guardians.

CHANGE OF ADDRESS/PHONE

Parents are to report any change of residence or phone numbers to the office as soon as possible. Changes in parental custody or guardianship, with legal documentation, are also to be updated so that appropriate changes can be made regarding emergency medical release information.

CLASS REPRESENTATIVES (ROOM PARENTS)

Each grade should have one or more dependable parent who will help with various activities during the school year. Room parents are members of the Home & School Association Board, which meets regularly to coordinate activities and to provide input about a variety of topics. Responsibilities of room parents include, but are not limited to: attending HSA Board meetings, providing hospitality for various events, recruiting parent volunteers from their grade for field trips, assisting at bingo, HSA activities, and any projects needed by the teacher.

At Kearns-Saint Ann School the program of studies endeavors to consistently reflect the mission, philosophy, goals and objectives of Kearns-Saint Ann School and of the diocese of Salt Lake City, in keeping with the primary goal of providing a quality Catholic education.

We are also in compliance with the [Diocesan curriculum](#) and the [core curriculum of the State of Utah](#).

Religious instruction is central to the program of studies, which is designed not only to present a well-organized exposition of subject matter, but also to bring each student to a personal experience of his/her faith and a deeper knowledge of and love for Jesus Christ. We accomplish this through daily prayer, twice-monthly liturgies, prayer services, and opportunities for the Sacrament of Penance, and special observances of the Church year.

The teaching of Christian doctrine promotes the building of community through service to God, the Church, and neighbors. The spiritual life of the students is and must be a paramount concern to our pastor, principal, faculty, and school parents. Since parents are the primary teachers of their children, the efforts of students and staff should be supported at home by family prayer and Sunday worship. Without these things the spiritual life of the student is diminished.

The students in second grade may receive the Sacraments of First Penance and First Holy Communion. The student must be baptized and the certificate on file in the school office. The parents or guardians must attend the preparation sessions made available.

The students in the eighth grade may receive the Sacrament of Confirmation. The student must have received the sacraments of Baptism, Penance, and First Communion. The parents or guardians must attend the preparation sessions made available.

The six core subjects for every grade are Religion, Mathematics, Reading, English, Science and Social Studies.

Preschool/Pre-K:

The Preschool/Pre-Kindergarten Program is designed to provide early childhood education for three-, four-, or five-year-old children at Kearns-Saint Ann School. Half-day classes are available on days in which school is in session. Children attend the Pre-K program five days per week, preschool students attend three days per week, Monday, Wednesday, and Thursday.

Primary Grades K-3:

In Grades K-3 Religion classes are taught every day. The primary grades place great emphasis on Reading, English and Mathematics. Reading and Writing skills are developed and expanded through a Language Arts Program of studies in English, Phonics, Creative Writing, Handwriting, Spelling, and Library Skills. Mathematics is presented in a manner designed to develop skills in mathematical knowledge, reasoning and creative problem solving. Other subjects (e.g., Art, Music, Physical Education, and Computer) are presented in ways that contribute to the social aspects of the child's growth in the early years of development and education.

Intermediate Grades 4 and 5:

The curriculum of the intermediate grades includes courses in Religion, Reading, English, Mathematics, Spelling, Handwriting, Science, and Social Studies. Other subjects include Library, Art, Computer, Music, Physical Education., and 2nd Language (5th only). Emphasis is placed on developing self-reliance, study-skills and acceptance of responsibilities.

Middle School Grades 6, 7, 8:

The curriculum in the Middle School grades is departmentalized for the basic content areas of English Language Arts, Mathematics, Social Studies, Science, and Health. Middle school students continue to have classes in Music, Art, Physical Education, 2nd Language, and Computer. Additionally, they have the opportunity to choose Exploratory classes on a semester basis.

COURT DOCUMENTS AND ORDERS

Parents/guardians and persons affected by Court Orders regarding the custody and visitation rights of Kearns-Saint Ann students and/or their education must provide the School each fall with current, certified copies of such Court Orders (e.g., Divorce Decree, Decree Modification Order, Visitation Order, etc.), which limit, restrict or otherwise describe or set forth said parent's/guardian's/affected person's right of access to or contact with a child or children and/or communication with a child's teacher, the school principal or other personnel. Kearns-Saint Ann School will strive to strictly abide by such orders or decrees and will urge parents and others affected by such orders and decrees to do the same. When and if the school has been properly notified of such orders or decrees, non-compliance therewith by any person will be reported by the school to the appropriate parent or other person or entity designated in

the Order or Decree to receive notice of non-compliance. Any changes to an Order or Decree must be reported to Kearns-Saint Ann and a certified copy of the change order must be provided to the School. Kearns-Saint Ann School will not be responsible for abiding or complying with any changes to Decrees and/or other Order affecting the custody, visitation rights or education of students until and unless properly notified as set forth herein.

CHILD ABUSE REPORTING

If a school employee **has reason to believe** that a child may have been subjected to incest, molestation, sexual exploitation, sexual abuse, physical abuse, or neglect, or observes a child being subjected to conditions or circumstances which would reasonable result in such, the employee is required by Utah law to immediately make a report to DCFS and to notify the school's administrator.

DISCIPLINE POLICY

At Kearns-Saint Ann School discipline is an aspect of moral guidance, and refers to those reasonable controls that promote the individual student’s development and self-discipline. Discipline takes place in a Christian environment, in which the rights and responsibilities of students and teachers are recognized.

Throughout the school day there is much activity and movement in and around our school. However, we are to continually remind ourselves that a quiet and peaceful spirit should permeate the area. Students moving from room to room are expected to do so quietly, having respect for classes that are in session. There should be no talking in the halls and students are to keep the first floor, the second floor, staircases and towers quiet.

The purposes of good discipline are:

- To help students not only to do the right thing, but to ENJOY doing the right thing;
- To maintain order and promote character development;
- To enable the student to achieve maturity, self-control, and Christian attitudes toward lawful authority, his peers, and his duty in life.

Discipline is said to be maintained in the classrooms or school when there is evidence of a cooperative spirit between students, principal, teachers, staff and parents. To facilitate this, parents should be familiar with school rules and encourage the student to comply with the rules, cooperate with the school, and keep close communication with the teacher.

Whenever possible, the teacher will use natural consequences in the classroom when a student has misbehaved. Inappropriate conduct will result in consequences.

Student Expectations are:

- Be considerate, courteous, and respectful: Inappropriate behavior includes rudeness, back talk, swearing, name-calling, putdowns, foul language etc.

- Listen to and follow directions of all adults in authority: teachers, administrators, custodians, secretaries, instructional assistants, substitutes, yard duty personnel and other adults in authority.
- Follow classroom and school rules
- Be on time and prepared for class: Bring books, paper pencils and other necessary classroom materials;
- Use appropriate language at all times
- Walk in an orderly manner on school grounds: Inappropriate behavior includes: running, yelling, pushing, shoving, interfering with the flow of traffic, congregating or moving around in large groups.
- Keep hands, feet, and objects to themselves: Inappropriate behavior includes: shoving, kicking, tripping, hitting, horseplay, play fighting and fighting. Public displays of affection are not appropriate.
- Show respect for school property and the property of others: Inappropriate behavior includes: writing on or scratching school or other peoples' property, or taking things without asking to borrow or use them.
- Bring problems and concerns to the attention of an adult: Inappropriate behavior includes: talking about others, spreading rumors or hearsay, confronting other students.
- Use materials and technology appropriately

Demerits

Students may be issued demerits for an infraction of the school rules. Homeroom teachers will keep track of student demerits and a student will have detention after accumulating five demerits. Detention is held after school on a weekly basis and parent(s)/guardian(s) will be notified in writing. If a student should receive 15 demerits, a conference time may be arranged when the student will meet with parents, teachers and the principal.

Possible offenses warranting the issuance of demerits include:

Students may be placed on probation by the school administration after a single serious action or after having served detentions or suspensions. When a student has served two in-school suspensions, he/she faces being placed on contract or probation by the school administration.

From time to time, the school administration may deem it necessary to require specialized professional care for students as a condition for continued enrollment. If a probationary student continues to demonstrate inappropriate behavior, he/she may be asked to withdraw. If a student's behavior or attitude is detrimental to the welfare of himself/herself or to others, probation, and suspension or expulsion, are options. The principal will decide probation or suspension. Expulsion will be a decision made jointly by the pastor, the principal, and the superintendent.

BULLYING OR HARASSMENT BY STUDENTS

The Catholic Schools of the Diocese of Salt Lake City recognize that bullying or harassment of any kind has a negative effect on school climate. Students who are isolated, intimidated, and fearful cannot give their education the single-minded attention they need for success. Bullying or harassment can also lead to more serious violence. Every student has the right to an education and to be safe around school

Bullying, cyber-bullying or harassment of any kind committed against any student, faculty member, or other personnel of Kearns-Saint Ann School, will not be tolerated because of the Christian climate and Catholic culture in the school. Such an occurrence can be on or off campus, within and outside the school day, during a school activity, or on free time. Immediate and appropriate disciplinary action will be taken whenever it is determined that a violation of this policy has taken place. The intervention and consequences will be according to the nature and severity of the incident(s) or situation(s).

Definition of Bullying or Harassment

Bullying or Harassment

Bullying or Harassment by a student is defined as a pattern of habitual abuse by another student or students. In many cases, but not all, bullying or harassment may be motivated by racial, sexual, religious, social, or other prejudice. Examples of bullying and harassment include, but are not limited to, the following:

- Physical harassment, such as physical intimidation or assault
- Emotional harassment, such as extortion, oral or written threats, taunting, putdowns, name-calling, threatening gestures or actions, cruel rumors, false accusations committed in person or via social media, and social isolation.
- Sexual harassment, such as unwelcome sexual advances, requests for sexual favors and other verbal and physical conduct of a sexual nature; or hazing, such as an initiation process involving bullying or harassment.

Communication of Policy

Principals, in consultation with the superintendent, will affirmatively ensure that all students are made fully aware of their rights and responsibilities under this policy as well as the rights of each student to seek redress in the event of student harassment or bullying of any kind.

Faculty/Staff Intervention

It is expected that faculty and staff members who observe or become aware of bullying or harassment take immediate and appropriate steps according to this policy.

Reporting Bullying and Harassment

The Catholic Schools of the Diocese of Salt Lake City expect students and parent(s)/guardian(s) who become aware of bullying or harassment to report it to the school principal for investigation. Any student or parent/guardian who retaliates against another for reporting bullying or harassment may be subject to the consequences listed below.

Any Catholic school employee who becomes aware of any apparent occurrence of bullying or harassment must report this to the principal who begins intervention and corrective action.

When a principal believes that a criminal offense may have occurred, the principal will report the known facts to the appropriate criminal investigative agency.

Bad faith allegations of a violation of this policy will subject the accuser to disciplinary action.

Investigation Procedures

All allegations will be taken seriously and promptly investigated. Concern for confidentiality will be adhered to throughout the investigative process. This investigation may include interviews with students, parent(s)/guardian(s), and school faculty and staff; review of school records; review of communication records by or about a student, teacher, parent(s), guardian(s) and/or other person(s); and identification of parent(s)/guardian(s) and family issues.

Student Intervention Consequences

Intervention and consequences for students who bully or harass others shall depend on the results of the investigation and may include: counseling, a parent/guardian conference, detention, suspension, and/or expulsion, or involuntary transfer to another school. Depending on the severity of the incident, the principal may also take appropriate steps to ensure student safety. Procedures may include: implementing a safety plan, separating and supervising the students involved, providing staff support for students as necessary, reporting incidents to law enforcement if appropriate, and developing a supervision plan with the parent(s)/guardian(s).

Retaliation

Any form of retaliation against a student who alleges student bullying or harassment is strictly forbidden. Students who believe they have experienced retaliation will report the occurrence to the principal. The principal will take the disciplinary action warranted.

DROP OFF AND PICK UP

In order to ensure the safety of our students: ALL children must be dropped off and picked up from the church parking lot, not from any other area. Enter the parking lot from 500 East. There are two lanes, which exit in different directions. Please do not change lanes once you have entered the parking lot. For the safety of the children, PLEASE remain in your vehicle. When your vehicle is first in line, your children will be excused, by their teachers, from the grassy area. Students who walk home, or use the bus, MUST cross the parking lot using the marked crosswalks.

EMERGENCY INFORMATION

At Kearns-Saint Ann School, if your emergency information changes for some reason during the year contact the office in order to update your student's records. You can also submit your information via the "[Contact the Office](#)" online form.

All children who become ill during the day should report to the school office. If the condition warrants that the child be sent home, parents/guardians or those listed in the emergency information will be notified. It is their responsibility to see that arrangements are made for the child to get home promptly and safely. For safety reasons, it is required that all students be signed out before being removed from the school building.

EMERGENCY PROCEDURES

Kearns Saint Ann School has in place emergency procedures for fire, earthquake, intruder alert, and bomb threat. All of these procedures are in keeping with our safety regulations from the diocese and South Salt Lake police and fire departments.

Bomb Threat

In the event of a bomb scare:

The principal or assistant will be the one contacted to speak to the caller. Should the need arise; the principal will alert faculty and staff with instructions given over the intercom.

At this time look around one's classroom or work area for the presence of unusual packages, boxes or bags, which are not ordinarily in the room, or area. DO NOT MOVE THESE OR HANDLE THEM IN ANY WAY! Simply notify the principal of their presence so that appropriate safety officials may be contacted.

If necessary, the fire drill signal will be given for all to exit the building as practiced.

Teachers will be notified at some point to take students to the church parking lot.

Earthquake and/or Drill

In the case of an actual earthquake there may not be any signal other than the sound and movement caused by the earthquake. The students should be well prepared so that they immediately follow the necessary procedure as practiced in the earthquake drills.

Students must get under their desks and stay there until the teacher gives direction to evacuate the building (about three minutes). They will face away from the windows and hold on to their desks. If the desks move during an earthquake, children need to move with their desks. After three minutes or so, students will vacate the building in silence.

Fire and/or Drill

ALARM: A fire drill is indicated by the following message: "Attention! An emergency situation has been detected in the building..."

PROCEDURE: Students should leave the room in an orderly manner without instructions from anyone. All belongings should be left in the room. There should be no talking.

Teachers should close doors and windows and turn off lights. Teachers take a class list, and leave after students are all out of the room. (The exit door in each classroom posts Fire Exit Rules.) Teachers will check the restrooms to ensure that all students are out of the building.

OBSTRUCTED DRILL: During an obstructed drill, one or more exits are blocked. Students are required to find other ways out.

UNOBSTRUCTED DRILL: During unobstructed drills, all available exits are used.

SAFETY ZONES: When students reach their assigned areas they should stand in parallel lines facing the school. The teacher will then check role.

INTRUDERS THREATENING HARM: In case of an intruder, classroom doors are locked, windows are covered and students are quiet, away from the doors or windows.

ENVELOPES

At the beginning of the school year one large envelope is prepared for each family to be used for communication between the school and the home. The envelope will be sent home with the oldest child. Please read the material in the envelope, sign it, and return it to school within two days. Enclose any replies in the envelope. In the event an envelope is lost, there is a \$1 replacement fee.

EXTENDED DAY CARE

Extended Day Care, for an additional fee, is available from 6:45 A.M. to 8:00 A.M. and/or 3:00 P.M. to 6:00 P.M. It is available for students in Pre-School through eighth grade. Students must report directly

Parent/Student Handbook 2017-2018
[Table of Contents](#)

to Extended Day. If a student is receiving tutoring or extra help they must have a pass from the teacher to enter Extended Day. The **note must state time and duration of session**. If a student is **absent or is not attending their normal scheduled time** at Extended Day a note must be provided to the office.

For more rules and explanations ask the school secretary for a copy of the Extended Day Handbook if you are interested in more information.

We also provide care for Pre-Kindergarten students from 8:00-12:00 noon and 12:00 noon until 3 P.M. If necessary these same students can take advantage of the Early Morning program and the After School Program.

After School

All students who **are not attending** Extended Day from 3:00 pm to 6:00 pm, or the After School Program, must be picked up by parents/guardians by 3:15 PM. Monday through Thursday. On Fridays students must be picked up by 12:45 P.M. All students participating in sports must attend practice at **their scheduled times**. Parents are responsible for picking up siblings/ or students by 3:15 P.M. even if they have practice at a later time (meaning siblings/ or students who are scheduled for later practice times cannot wait in school gym or in or around school grounds). **If students are found loitering they will be escorted to Extended Day Care. It is the parent's responsibility to pay Extended Day Care rates for the time their child is there.**

The school **is not responsible** for supervision of students after 3:15 P.M unless they are enrolled in Extended Day Care, After School Program or at a scheduled tutoring session. Students who are attending tutoring or extra-help sessions must be picked up immediately after the session has ended or will be required to go to Extended Day Care until parent arrives to pick them up.

GRADUATION

See [Diocesan Policy 3630 Graduation](#)

HEALTH ISSUES

In order to protect your own child as well as others in the class, please do not send a child to school if you detect nausea, fever, sore throat, severe cold or cough, or a suspicious skin rash or infection. Contagious diseases such as measles, mumps, chicken pox, etc., require exclusion from school and a student may not be readmitted to the school until cleared by a doctor.

HOMEWORK

At Kearns-Saint Ann School, homework is a necessary part of your child's education. Homework is assigned to reinforce material that has already been taught and to foster habits of independent study. Parents should take an active interest in the child's day-to-day progress and should provide suitable conditions for home study.

Parent/Student Handbook 2017-2018

[Table of Contents](#)

The students of Kearns-Saint Ann School will use a standard heading on all submitted homework, except for some creative writing assignments. The heading is:

The diagram shows a rectangular box representing a piece of lined paper. On the left side, there is a vertical red line representing a margin. In the top-left corner, there is a solid black dot. The paper has several horizontal blue lines. The heading is written in cursive script. On the left side of the margin line, the words "Name" and "Date" are written on two separate lines. On the right side of the margin line, the words "Grade" and "Subject" are written on two separate lines. In the center of the page, below the margin line, the words "Assignment Name" are written across two lines.

They are also highly encouraged to use cursive when writing.

Homework may consist of assignments other than written assignments. Activities such as reading for book reports, studying for tests, research projects, and essays may be assigned. Drill and memorization, practice on oral reading, and make-up of work missed through absences may also be assigned for homework.

One important achievement of homework can be the wholesome involvement of parents in the education of their child, leading to deeper relationships between home and school. Parents have two important responsibilities with regard to homework:

- To show an interest in the homework and to give guidance when appropriate.
- To provide a home environment conducive to study.

The child should be able to do assignments with minimal help and supervision. Continued serious difficulty with assignments indicates a problem and parents should contact the teacher.

If a student consistently neglects home assignments, the teacher will notify the parents. Parents can help by checking the child's assignment notebook on a regular basis Monday through Thursday to insure that homework is being done.

Middle School Homework Policy

Homework

Daily homework assignments are generally given on Monday- Friday, although this is up to the discretion of the teacher.

If a homework assignment is missing **ON THE DAY IT IS DUE**, the student will receive 20% off that assignment as a late grade. For each additional day homework is late, 10% will be deducted up to 50% off. After that, the student will receive 0%. Extra credit cannot be done until all classwork and home

Parent/Student Handbook 2017-2018

[Table of Contents](#)

work has been completed. When not turning in a homework assignment when it is due, the student will also sit at the designated Homework Table at lunch to work on the missing assignment.

Study Skills Exploratory

If a student has earned 2 D's or 1 F in a core subject (Religion, English, Math, Reading, Science, or Social Studies), he/she will be required to attend the Study Skills Exploratory class in place of their regular Exploratory Class.

INTERNET ACCESS

Internet access, as well as other on-line information services, may be available to qualifying students of Kearns-Saint Ann School. Our goal is to promote innovation and educational excellence by using Internet and other on-line research tools for research, worldwide resource sharing, and communication.

Before a student is allowed Internet access at Kearns-Saint Ann School, an Acceptable Use Policy Agreement must be read and signed by each student and his/her parent.

LASER AND FLASHLIGHT PENS

Laser and flashlight pens are not allowed at Kearns-Saint Ann School at any time.

LOST AND FOUND

All books, school bags, lunch boxes, and items of clothing should be clearly marked with the child's first and last name, **not** just with initials. Purses and wallets should contain some kind of identification.

Lost and found articles are sent to the school office, and if not claimed in a timely manner, they are donated to charity.

The school cannot assume responsibility for any personal belongings, and should not be brought to school.

Any article found by a student must be taken to the office.

LUNCH AND BREAKFAST PROGRAMS

Our school is most fortunate to participate in the Federal Lunch and Breakfast Programs. Through these programs, our students are able to receive two balanced hot meals daily. Information on these programs will be available at the beginning of school.

MEDICAL TREATMENT

At Kearns-Saint Ann School the secretary, teacher or designee in the office dispenses all medications. Proper medical and parent consent forms are needed. Under no circumstances shall a student have any type of medication, inhaler, or drugs such as aspirin and similar medications on their person or with his/her personal belongings.

Students in grades 4-8 may keep inhalers with them if parents have turned in the proper paper work to the office.

MIDDLE SCHOOL PROMOTION POLICY

All students in the 6th, 7th, and 8th grades at Kearns-Saint Ann School must earn 40 points in the six core subject areas each year to be eligible for promotion and/or graduation.

- The six core academic subjects are: Religion, English, Math, Reading, Science, and Social Studies
- Points will be allotted in the following manner: A=4, B=3, C=2, and D=1
- Students must earn 40 points per year to pass to the next grade or graduate
- Parents will be issued a statement of their child's Promotion Points with each report card, Quarters 1, 2, and 3.

See [Diocesan Policy 3620 for Promotion/Acceleration/Retention of Students](#).

PARENT SERVICE HOURS

Each family is required to complete 25 hours of parent service to the school. All hours must be completed and reported to the Advancement director by Registration Day in the spring. Your account will be charged \$10.00 for each uncompleted hour. A sales receipt will be required for any donated items over \$25.00.

For ways to serve your volunteer time, please visit the school website and view "[Ways to Support KSA](#)". On this page you can also find a form to print out for you to record your service hours and give to the school office. We ask that you **not** use the "Contact the Office" form for submitting your service hours.

Volunteers do have legal responsibilities to students, and are expected to behave the way a reasonable adult would in the situation.

PARENT-TEACHER CONFERENCES

Parent/teacher communication and conferences are vital to the child's education. Parent/Teacher conferences are held twice a year, fall and spring.

Parent/Student Handbook 2017-2018

[Table of Contents](#)

PARENT VISITATION

Once school has begun, parents are asked to refrain from entering the classrooms with forgotten items. These are to be dropped off at the office. Volunteer or visitor passes are required of all parents whenever it is necessary to enter the school hallway or classrooms.

PARTIES

Parties are not regularly held in classrooms and only with the consent of the principal.

Birthday treats may be sent to the school. Please send individual servings of cookies, cupcakes, donuts, etc. without nuts. (Cakes are not permitted.)

No invitations to birthday parties may be distributed at school unless they will be distributed to the whole class or to all the boys or all the girls. Balloons and/or flower bouquets are not permitted.

PRAYER

Our Catholic faith is a precious gift that will be shared daily in the classroom. One aspect of the Christian spiritual life in our school is prayer. Several times each day teachers pause with their students to lift up their hearts and minds to God. Along with formal prayers, teachers utilize Scripture and spontaneous or reflective prayer to enrich the prayer experience of our students. Teachers are encouraged to respond to any special or extraordinary events by having their students pray.

Parents or students are asked to notify the teacher or principal of any serious illness or death in the immediate family so the school community can lend its support through prayer and other means.

RECESS

Playground regulations are posted in the classroom and will be periodically reviewed with the students. Students must abide by the playground regulations. Students are expected to treat each other and their adult supervisors with kindness and respect, and will be held accountable for their behavior at all times.

Outdoors:

Students must remain on the playground during recess. Permission to enter the building must be received from the adults on playground duty. At the end of the recess time, students are to line up quietly at the designated area. The homeroom teacher will then promptly escort her/his students back to class.

Indoors:

Indoor recess during inclement weather is supervised, on a grade rotation basis, in the gym by the playground duty adults. On days when the gym is not available, the playground duty adults supervise indoor recess in the classrooms.

Red Burn Days:

If given adequate warning by the Utah Department of Environment Quality regarding a red burn day, recess will not be held outside.

With parent/guardian request, teachers will make special arrangements for students with asthma on yellow/orange burn days or if a student's asthma necessitates restricting strenuous physical activity.

REPORT CARD/GRADING SYSTEM

Report cards will be sent to parents through students. Pre-Kindergarten and Kindergarten students receive progress grades for the 2nd, 3rd and 4th quarters. Report cards are to be signed by parent/guardian and returned within three days.

See [Diocesan Policy 3600 Report Cards](#)

SACRAMENTAL PREPARATION

Students preparing to receive the Sacraments of Eucharist or Confirmation will receive each month a **Mass Attendance Verification Card**. The student will present the Card each week to the Presider of the Sunday Mass he/she attends, who will sign on the appropriate date verifying that the child attended Mass.

SCHOOL CLOSURES

If Granite School District cancels school due to inclement weather, KSA will also cancel school. Information regarding school closures is generally broadcast on KSL (1160 AM) or KDYL (1060 AM).

SICKNESS AND ACCIDENT

In case of accident or injury, the school will apply basic first aid procedures. If further medical care is necessary, the contact person in the Emergency File will be notified immediately. Therefore, it is most important for the school office to know where to reach a parent or guardian during the school day. Current emergency telephone numbers (home, work, relative, friend, or neighbor) should be on file in the school office at all times.

SUBSIDIARITY

At Kearns-Saint Ann School, we follow the Catholic pastoral policy of subsidiarity, which means that parents/guardians should first bring their questions or concerns regarding their child's education/behavioral issues/treatment/etc., first to the child's teacher. This process will promote understanding, effective communication, and a spirit of reconciliation.

TERMINATION OF ENROLLMENT

Expulsion:

Kearns-Saint Ann School works to assure its students the right to just and fair treatment as befits a Christian institution. Sometimes, in spite of all that is done by the school personnel to guide and work with students, their continued presence in the school may be judged detrimental to their own welfare or the welfare of others. The expulsion of students will be considered when, in the estimation of the principal, all other means of correction fail to change unacceptable conduct. Expulsion may also result from a single major disciplinary infraction, inside or outside of school. The principal and pastor retain discretion in deciding such matters. The principal and pastor may expel or suspend students for conduct inside or outside of school that is damaging to the reputation of the school.

See [Diocesan Policy 3330 Termination of Enrollment](#)

TEXTBOOKS

Students have full responsibility for the care of textbooks issued to them. All textbooks must be kept neatly covered and are to be handled with care at all times. Students are to use backpacks to carry books to and from school. If a textbook is lost or damaged, the student will be expected to pay for its replacement.

TRANSFER

Students transferring to Kearns-Saint Ann School, for admission to Grades 1-8, will need a transfer from their former school.

Students transferring from KSA for admission into another Catholic school must be up-to-date on tuition and fees.

All books and school property need to be returned.

TUITION POLICY

All parents are required to support the school financially by paying tuition each month. Tuition may be paid in full, in advance, which eliminates the bookkeeping fee. Otherwise, tuition is paid through

automatic debit from your checking or savings account on the 20th of each month, beginning in August and ending in May. In the event that the 20th falls on a non-banking day, the debit will be processed on the next available business day. Kearns-Saint Ann School is not responsible for bank account charges, non-sufficient funds (NSF) or other bank fees, or overdrafts caused by automatic transactions. If there are insufficient funds to cover the delinquent monthly payment and late charge, you will be notified by mail that your account is past due. Any accounts that are not brought current or arrangements made will result in immediate suspension of your children's enrollment until the account is brought current.

VISITOR AND VOLUNTEER BADGES

At Kearns-Saint Ann School, all visitors and volunteers must, upon arrival, report to the school office sign in, receive a badge, and wear the badge in a visible place while at the school.

DIOCESAN POLICIES

STUDENT WITHDRAWAL ON GROUNDS OF PARENTAL/GUARDIAN BEHAVIOR

Normally a child is not to be deprived of a Catholic education or otherwise penalized for actions of parent(s)/guardian(s). However, in the instance where parent(s)/guardian(s) detrimentally impact the school's ability to effectively serve its students, the parent(s)/guardian(s) may be requested to remove their student from the school for ANY of the following reasons: Refusal to cooperate with school personnel; or

1. Refusal to adhere to diocesan or local policies and regulations; or
2. Interference in matters of school administration or discipline.

In all cases, reasonable effort to elicit the minimum requisite parental/guardian cooperation shall be made and documented. The principal must verify that parent(s)/guardian(s) were informed to terminate the inappropriate behavior and begin cooperation with the school or Policy 3340 would be enforced. If such effort does not correct the situation, then after consultation with the Superintendent, the principal may require the parent(s)/guardian(s) to withdraw the child. Documentation signed by the principal and parent(s)/guardian(s) as well as any other information or evidence of consultation with the parent(s)/guardian(s) on the matter must be retained on file.

If the parent(s)/guardian(s) refuse to accept the withdrawal, the procedures for expulsion shall be followed as outlined in Policy 3300.

Policy 3620

PROMOTION/ACCELERATION/RETENTION OF ELEMENTARY STUDENTS

Promotion:

Ordinarily, elementary/middle school students (K-8th grades) who satisfactorily complete the prescribed course of studies are promoted to the next grade at the end of the school year. Absences may be a factor in not promoting a student. The final decision as to promotion shall be the responsibility of the principal with the advice of the teacher.

Acceleration:

Although acceleration may be granted at the discretion of the principal and the teacher and with approval of the parent(s)/guardian(s), a gifted pupil will probably profit more socially and emotionally by an enriched program. The student's social and emotional maturity should be carefully evaluated whenever acceleration is considered.

After consultation with the parent(s)/guardian(s), principal, and additional teacher/faculty input, the principal makes the final decision.

Retention:

In order for a student to be considered for retention, he/she must have received a failing grade in the three core courses (Reading, Math, and Language) which are considered foundation skills.

The retention of a student should be based on consideration of the overall welfare of the student, i.e., by carefully weighing the academic, emotional, and social factors. Parent(s)/guardian(s) should be notified in January.

In the event that retention is under consideration, the following guidelines should be applied:

1. The teacher is responsible for consistent evaluation, early diagnosis, and effective remediation of learning problems. The teacher should provide remedial help within the school setting. If this proves inadequate, the parent(s)/guardian(s) should be advised so other professional resources can be sought.
2. The teacher should make the principal aware of any pupil with significant learning problems by the end of the first quarter. With the approval of the principal, the teacher should inform the parent(s)/guardian(s) regularly during the second and third quarter of the student's progress and possible retention.
3. Primary grade teachers should carefully observe students with learning problems and make every effort to provide remediation so that problems may be corrected at an early age. Although the input of the teacher and the parent(s)/guardian(s) is a significant factor, the final decision to retain a student is the responsibility of the principal. When a student has a severe

learning problem, it may be necessary to recognize that the Catholic school is not equipped to meet the needs of every pupil and that recommending a transfer might be appropriate.

END OF DIOCESAN POLICIES

Conclusion

This policy handbook is limited in content. Emphasis has been placed on those things that are deemed most pertinent and beneficial to the students, parents, and personnel of Kearns-Saint Ann School at the present time.

The principal has the right to amend the handbook at any time during the school year. Parents and students will be given prompt notification of such changes.

It would be impossible to anticipate all problems that may arise in the future. Anything that distracts from or disrupts the spirit, education, philosophy, or dignity of Kearns-Saint Ann Catholic School will be held to be unacceptable even though not explicitly set forth in these policies.

You will not find every possible situation concerning proper behavior mentioned in these guidelines. Questions will arise that are not covered here or special circumstances may justify a course of action inconsistent with those listed in this handbook. *In any case, the principal and/or pastor have the final decision in all matters pertaining to the school.*

Let us continue to encourage, support, and affirm one another

as we endeavor to heed God's call to "Let the children come to me."
